From The Deputy Commissioner

To. The Chief Secretary to the
Government of Mysore.
Bangalore.

Sir,

I have the honor to state that since the opening of through Railway Communication between Mysore and Haribar, the town of Holalakere has become very important and forms the chief entrance not only to the district Head Quarters but to the greater portion of the district and the people, who were formerly going to Dharwar and other places via Davangere now take the train at Holalakere and Comparatively very few persons travel on the road

between Chitaldrug and Davan-
-giri, on which Bharamasagar
forms a halting stage. The
Government Chatram at
Bharamasagar would therefore
be more useful to travellers
if transferred to Holalakere
and I request you will be
so good as to move the Govern-
-ment to transfer the
Chatram from Bharamasagar
to Holalakere. The building
in which the Taluk Cutcherry
at Holalakere is now held
will become available for
the Chutram as soon as the
new Taluk Cutcherry, which
is fast approaching Completion
is ready, and later on the
Chutram may be removed
to the Moosapherkhana which
is proposed to be built near
the Railway Station. Meanwhile

a building may be rented at Holalakere Kusaba and the Bhutram kept there..,
Should Government be pleased to sanction the proposal now made I shall arrange to rent a building on the most favorable terms possible.

I have the honor to be
Sir,
your most obedient servant

Correspondence ending with Letter No. 689 of 11 dated 11th April 1892, from the Deputy Commissioner, Chitaldroog Dt, recommending the transfer of the Government Anna Chattram at Bharmasagar, Chitaldroog Taluk, to Holalkere.

—"—

No. 504-5 of 6/10. 8-92 order thereon.

The records shew that, though the Chattram has been at Bharmasagar ~~was~~ in existence there for ~~the last~~ ~~many years~~ 8 years, the road from Bangalore to Dharwar on which Bharmasagar is a halting stage is now

"not

abandoned owing to the opening of the Railway communication from Mysore to Harihar. The Deputy Commissioner reports that the average number of persons fed daily in the Chattram is only two; and that no inconvenience can be felt by travellers if the Chattram is transferred to Holalkere which has now become very important owing to the Railway ~~since it is the Chief Railway entrance into the District Hd Quarters, and which is a greater portion of the District~~

82. Under these circumstances, the transfer of the Chattram from Bharmasagar to Holalkere ~~temporarily~~ tentatively for

a period of 6 months, is sanctioned, after ~~which~~ the expiry of which, the Deputy Commr. will submit a report to this office as to its working.

3. As the Dy: Commissioner states that the construction of the new Taluk Cutcherry at Holalkere is almost completed, the old Taluk Kutcherry building at the place may be utilized for the Chattram as recommended by him. There being no separate Musafer Khana for the accomodation of the ~~building~~ travelling public at Bharmasagar, the Chattram building which is stated to be now in good condition will be utilized solely for ~~the~~ travellers.

The Sheikdar who is now occupying a portion thereof

for the use of his office,
should be directed to shift his office
